**TAMPA ELECTRIC COMPANY'S SUPPLEMENTAL
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby supplements its October 23, 2003 request for confidential classification of certain highlighted information contained in the exhibit of Office of Public Counsel ("OPC's") witness Michael J. Majoros, Jr. (the "Confidential Information"). A single highlighted confidential version of that exhibit was filed under a Notice of Intent to Seek Confidential Classification by counsel for OPC on October 2, 2003. Attached hereto as Exhibit "A" is a justification for designating the Confidential Information proprietary confidential business information under the above-referenced statute and rule.

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s.119.07(1) [requiring disclosure under the Public Records Act]." The proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. (Section 366.093(3)(d), Florida Statutes)

2. Proprietary confidential business information also includes:

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the

provider of the information. (Section 366.093(3)(e), Florida Statutes)

3. The Confidential Information falls within the above statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093 and Rule 25-22.006.

4. The material for which confidential classification is sought is intended to be and is treated by Tampa Electric as private and has not been disclosed.

5. The request for confidential classification is intended to serve as Tampa Electric's motion for a protective order pursuant to Rule 25-22.006(6), Florida Administrative Code.

WHEREFORE, Tampa Electric respectfully requests that certain of the highlighted information contained in the direct exhibit of OPC's witness Michael Majoros be accorded confidential classification for the reasons set forth above and in Exhibit "A" to this request.

DATED this 29th day of October 2003.

Respectfully submitted,

LEE L. WILLIS

- (1) This information is a Tampa Electric strategic planning document. The information is confidential because it reveals details of the very recent daily operation of Tampa Electric's business and its strategic planning. Disclosure of this information could impact agreements or contract negotiations that Tampa Electric attempts to enter into in the future. An example of how this could negatively impact the company is that of contractors viewing the budgeted amounts for a particular project or station and, because they are now aware of the funds Tampa Electric allocated for that particular project, bidding higher than they would have without that knowledge. This would increase Tampa Electric's overall cost. As such, the information is entitled to confidential treatment under Section 366.093(3)(d) and (e), Florida Statutes.
