Docket No. 030867-TL  
Filed: October 30, 2003

**VERIZON FLORIDA INC.'S REQUEST FOR CONFIDENTIAL  
CLASSIFICATION AND MOTION FOR PROTECTIVE ORDER**

Under Commission Rule 25-22.006, F.A.C., Verizon Florida Inc. (Verizon) seeks confidential classification and a protective order for certain information contained in the Company's supplemental responses to Staff's Second Set of Interrogatories (specifically, nos. 42 and 45) in this proceeding.

All of the information for which Verizon seeks confidential treatment falls within Florida Statutes section 364.183(3)(e), which defines the term, "proprietary confidential business information," to include "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information." If competitors were able to acquire this detailed and sensitive information regarding Verizon, they could more easily develop entry and marketing strategies to ensure success in competing with Verizon. This would afford them an unfair advantage while severely jeopardizing Verizon's competitive position. In a competitive business, any knowledge obtained about a competitor can be used to the detriment of the entity to which it pertains, often in ways that cannot be fully anticipated. This unfair advantage skews the operation of the market, to the ultimate detriment of the telecommunications consumer.

PUBLIC SERVICE BOARD CLERK

While a ruling on this request is pending, Verizon understands that the information at issue is exempt from Florida Statutes section 119.07(1) and Staff will accord it the stringent protection from disclosure required by Rule 25-22.006(3)(d).

One highlighted copy of the confidential information is attached to the original of this Request as Exhibit A. Two redacted copies are attached as Exhibit B. A detailed justification of the confidentiality of the information at issue is attached as Exhibit C.

Respectfully submitted on October 30, 2003.

**EXHIBIT C**

<b>DOCUMENT</b>	<b>LINE(S)/COLUMN(S)</b>	<b>REASON</b>
Attachment INT 45 (Bates Nos. 491-493)	All highlighted text	This is competitively sensitive, confidential and proprietary business information that has been confidentially maintained by Verizon. Disclosure of this information would cause harm to Verizon by giving its competitors an unfair advantage in developing, pricing and marketing their services. It would be particularly unfair to disclose this information because similar information about competitive carriers is not made available to the public.
