Tommy, I had called you earlier and left a message for you to call me back, since I didn't hear from you, I'm copying Jackie just in case you aren't here for the afternoon.

You sent down a req to est dkt form, it is for a name change for CLEC and IXC registration, can this be done in one docket? I'm asking because . I thought we decided not to mix the two kids of certifications together? Let me know what you'd like to do. Thanks.

As is right now, I've only mentioned the IXC registration in the style for new docket that I've established per your req form.

Thanks.
