VOTE SHEET

RE: Docket No. 030961-TI - Flow-through of LEC switched access reductions by IXC's, pursuant to Section 364.163(2), Florida Statutes.

ISSUE 1: Which IXC's should be required to file tariffs to flow through BellSouth's, Verizon's and Sprint-Florida's switched access reductions, if approved, and what should be included in these tariff filings?

RECOMMENDATION: IXC's that paid \$1 million or more in intrastate switched access charges in 2002 should include in their tariff filing: 1) a calculation of the dollar benefit associated with the LEC's intrastate switched access rate reductions; 2) separate demonstrations that residential and business long distance rates have been reduced and the estimated annualized revenue effect, residential and business, including a description of how those estimates were made; and 3) a demonstration that all reductions have been flowed through.

IXC's that paid less than \$1 million in intrastate switched access charges in 2002, should include with their tariff filing, a letter certifying that they paid less than \$1 million in intrastate switched access charges in 2002, and that they have complied with each of the flow-through requirements as specified in Section 364.163(2), Florida Statutes.

(Continued from previous page)

Any IXC whose intrastate switched access expense reduction is \$100 or less per month is not obligated to flow through its reduction, but should attest to such, through a letter filed with the Commission.

The revenue reductions should be implemented and remain in effect as described in the body of staff's recommendation dated October 22, 2003.

**DENIED**

RECOMMENDATION: The IXCs should be required to file their tariffs in order for them to become effective concurrently with the LECs' tariff filings.

RECOMMENDATION: No. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should remain open to address any IXC tariff filings necessary to ensure compliance with Section 364.163(2), Florida Statutes.
