3. Supra is a competitive carrier that is certificated to provide competitive local exchange service and long distance service in the State of Florida. As a Florida CLEC, Supra is impacted by proceedings that come before the Commission, especially as they relates to Supra's ability to provide local exchange telecommunications service and intrastate interexchange telecommunications service.

4. As a Florida CLEC, Supra purchases unbundled network elements ("UNEs") from incumbent local exchange companies ("ILECs") and exchanges traffic with ILECs and other CLECs in order to provide local exchange service to its customers. Thus, Supra's substantial interests may or will be affected by any action that the Commission takes in this docket regarding the application of the *Triennial Review Order*.

WHEREFORE, Supra respectfully requests that this Commission grant this Petition to Intervene and accord it full party status in both docketed proceedings.
