Kay/Hong,

In the above docket, the words "and amendments" should be moved and changed so they appear following "adoption" to ultimately appear as "adoption, with amendments,". Since the title can be interpreted a couple of different ways as currently worded, to be correct, this should be styled as:

"Docket No. 030854-TP - Notice of adoption, with amendments, of existing interconnection, unbundling, collocation, and resale agreement between MCImetro Access Transmission Services LLC and Sprint-Florida, Incorporated by Utilities Commission, New Smyrna Beach."

I do not believe this warrants Sprint filing a correction letter.

This is how I am styling my close memo. Please let me know if more information is necessary.
