RE: **Corrected** Notice of Adoption of MCImetro Access Transmission Services, LLC and Sprint-Florida, Incorporated Interconnection, Unbundling, Collocation and Resale Agreement with modifications by AT&T Communications of the Southern States, LLC d/b/a AT&T, in Docket No. 030836-TP.

Dear Ms. Bayó:

Pursuant to Staff's request, this letter is being issued to correct punctuation and to address Staff's question regarding agreement renewal procedures.

Please find two corrected sheets and three copies of the Interconnection, Unbundling, Resale and Collocation Agreement to reflect correct punctuation for MCImetro Access Transmission Services, LLC which was filed August 19, 2003.

Also, please be advised that the AT&T adoption will follow the renegotiation and termination provisions of the 2002 MCI contract under Section 3 of Part A of that agreement. The Commission should also be advised that there are no automatic renewal provisions contained in the MCI contract. The Parties under the agreement are required to enter negotiations for a replacement contract no later than 270 days prior to the expiration date of the agreement. This provision along with the remaining conditions found in Section 3 of Part A will be required by AT&T.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me at 850/599-1276.

Sincerely,

Sandra A. Khayrac
