RE: Change to Staff Recommendation in Docket No. 030752-EI

Staff is requesting approval to make a minor correction to the above mentioned recommendation, which was deferred from the November 3, 2003 Agenda Conference and rescheduled for the December 2, 2003 Agenda Conference. On page 11 of this recommendation, in Issue 2, "Should this docket be closed," the date the tariff should become effective if approved is incorrectly stated as November 3, 2003. The correct date is December 2, 2003. This change does not materially affect the issue or recommendation statement and therefore, an oral modification at the December 2 Agenda Conference should not be necessary.
