Re: 030851-TP, 030852-TP -- Data Requests

Dear Ms. Bayo:

XO Florida, Inc. (XO) has received the Commission's data requests. As a preliminary matter, to the extent Staff has or intends to seek the same information from XO that it has requested of AT&T, XO adopts the General Objections filed by AT&T on November 20<sup>th</sup> and reserves the right to assert such objections. Nonetheless, XO recognizes the importance of the information the Commission is seeking and will in good faith prepare a response to Staff's request.

Due to the fact that the request was just recently received, that key personnel were out of the office last week due to NARUC meetings, and the upcoming Thanksgiving holiday, XO will attempt to file a preliminary response on December 3<sup>rd</sup>, but requests permission to supplement those responses by December 10<sup>th</sup>.

If this presents a problem for Staff or if you have any questions, please do not hesitate to contact me. Thank you for your consideration.

Sincerely,

*Vicki Gordon Kaufman*
