Ruth, we need to open two dockets (IXC & CLEC) for a name change;

(1) Request for name change on CLEC Certificate No. 5250 from OnePoint Communications - Georgia, LLC d/b/a Verizon Avenue to Verizon Avenue Corp. d/b/a Verizon Avenue

(2) Request for name change on IXC Registration TJ011 from OnePoint Communications - Georgia, LLC d/b/a Verizon Avenue to Verizon Avenue Corp. d/b/a Verizon Avenue

also, we need to refund the \$250.00 they send in with the application. I have informed Verizon of what we are going to do.

So, can I go ahead and style the new docket as such for now? In the meantime you can think about the IXC transfer matter? If you still need more time I can bump this one docket to later? Let me know. Thank you, Jackie, and I hate to be rushing you, but...

thank you for your help!

Jackie, I'll let this be your call as far as whether this is a transfer or name change. I would think it is a transfer and name change since the d/b/a and new name do not match exactly (the d/b/a does not have Corp., so it is going from a fictitious name to a corporation). I could be wrong! Both the IXC and CLEC RAFs are paid through 2002. Both will owe 2003.

Good afternoon.

We have received an application for transfer of certificates from OnePoint Communications -Georgia, LLC d/b/a Verizon Avenue to Verizon Avenue Corp. OPC is currently certificated as IXC and CLEC; company has submitted \$250 filing fee.

It seems that they do want a name change on these certificates, but I will fax you the filing for your advise and review. If so, then I would have to open two dockets for the different certificates.

Also, if this is a name change, the filing fee is unnecessary. Please let me know ASAP since I have many new docket following this one.

Thanks,

Ruth
