Nope, don't open a docket. They have a P&I balance from 2002 RAF and still owe 2003 even if they had no revenues. I'll attempt collection Jackie??

I have a letter from company requesting cancellation or withdrawal of PATS Certificate No. 8241; they advise business was never initiated, as result, there has been no installation or revenues from pay phone business. Let me know if I can open a docket for this request. I will place in undocketed file for now.

Thanks.

Ruth
