Hi Matilda,

I was just checking back on Monday's request.

Hi Matilda,

I just got the CASR on the above docket and noticed that the LLC on the company name does not have the periods and there is an "s" on the end of Communication.

It should be Paragon Communication Services, L.L.C. per the Secretary of State documentation attached to the submitted PATS application form.

Can you correct the name with this email?

Thanks,

Toni
