RE: *Payment of Regulatory Assessment Fees by Qwest Interprise America, Inc.*

Dear Ms. McCoy:

Qwest Interprise acknowledges that it owes the Commission \$3.00 in penalty and interest for its 2001 Regulatory Assessment Fees as a payphone provider for missing the due date by one day. The check enclosed with the mailed copy of this letter should satisfy this \$3.00 balance.

Furthermore, Qwest Interprise expresses its intentions to pay the amounts owed for the 2003 Regulatory Assessment Fees on or before January 30, 2004.

Please do not hesitate to contact me with any questions or concerns regarding this filing.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Kristin L. Smith".

Re: *Notification of Transfer of the Public Payphone Assets for its Pay Telephone Service from Qwest Communications Corporation to Commercial Payphones LLC.*

To Whom It May Concern:

Qwest Communications Corporation ("Qwest") and Qwest Interprise America, Inc. (collectively "Qwest"), and Commercial Payphones LLC ("Commercial Payphones") (collectively, the "Parties") hereby submit an original and fifteen (15) copies of this courtesy notification of a transaction in which Qwest is transferring the public payphone assets of its pay telephone service to Commercial Payphones, as described below. Based on a review of the Florida statutes and regulations, it is the Parties' understanding that approval by the Florida Public Service Commission ("Commission") is not required to complete the transaction described in this letter. Qwest therefore submits this letter for informational purposes to advise the Commission of the transaction.

Qwest and Commercial Payphones have signed an asset purchase agreement under which Qwest agreed to sell to Commercial Payphones the public payphone assets for its pay telephone service in Alabama, Arizona, California, Colorado, Florida, Georgia, Idaho, Illinois, Iowa, Louisiana, Michigan, Minnesota, Mississippi, Montana, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Ohio, Oregon, South Carolina, South Dakota, Tennessee, Texas, Utah, Washington and Wisconsin (the "Transaction"). The Transaction is set to close subject, in part, to the satisfaction or waiver of all obligations from any federal, state, local and non-U.S. regulatory body required for the completion of this Transaction.

The Commission has authorized Qwest to provide, facilities based, resold local exchange services and pay telephone service. In addition, Commercial Payphones was granted certification to operate pay telephone services by the Commission on August 25, 1993. Upon completion of the proposed transaction, Qwest will have sold all of the assets of Qwest's pay telephone service in Florida. Selling the public payphone assets shall effect Qwest's abandonment of this service to the public. Therefore, Qwest requests that the Commission

DOCUMENT NUMBER-DATE

11463 NOV 17 8

cancel Qwest's pay telephone certification granted on November 5, 2001. Though no longer providing pay telephone service, Qwest remains dedicated to providing reliable telecommunications services to customers in Florida pursuant to its remaining certifications. Furthermore, neither Party offers the pay telephone service through a Florida state tariff, therefore the Transaction will result in no changes or modifications to any existing Florida state tariffs.

Indeed, the Transaction is in the public interest of providing public telephone service to everyone as Commercial Payphones is an established payphone owner in the State of Florida with a well-qualified technical, maintenance and management team. The integration of Qwest's public payphone assets into Commercial Payphone's existing service will proceed smoothly due to the companies' similar service and maintenance standards. The Transaction, therefore, will allow Commercial Payphones to expand its operations in a cost-efficient manner, thereby enhancing its ability to provide high quality, competitive pay telephone service in furtherance of the public interest.

Please do not hesitate to contact the undersigned with any questions or concerns with regard to this Transaction at 303.896.8143.

Respectfully submitted,

Kristin L. Smith

**From:** Jackie Gilchrist  
**Sent:** Thursday, November 20, 2003 11:11 AM  
**To:** Toni McCoy  
**Subject:** RE: Qwest Letter about payphone cancellation

**Importance:** High

I believe Qwest should pay Penalty and interest associated with 2001 RAFs and pay 2003 RAFs or submit a statement of intent for 2003 RAFS before a docket is opened(see my e-mail to Paula, which I provided you with a copy of). Also, I believe a docket should be opened to process the request for a PATs certificate by Commercial Payphones. Currently, we have an entity called Commercial Pay Phones, Inc. (TE874). I don't know whether this is the same entity or not.

**Subject:** Qwest Letter about payphone cancellation

Hi Ruth,

This is a standard payphone certificate cancellation docket. They sold their assets (meaning phone equipment) and want to cancel their certificate effective the day we stamp in the request. (11/17/03)(TG844)

Take care,

Toni

Good afternoon. I have a filing from Qwest, the letter in re: Notification of transfer of public payphone assets for its Pay Telephone Service from Qwest Communication to Commercial Payphones. I'll fax you a copy of the filing for review. Please let me know how to proceed with this.

Thank you both for your help.  
Ruth

**Subject:** FW: 850 413 7118, 2 page(s)

Hi Jackie. I know that Ruth sent the e-mail to you about this, but I didn't know if she faxed it to you or not. Here it is in case you didn't get the fax. I wanted you to review it before getting back with Ruth. Here's what I know...

1. Qwest Communications Corporation has TI215 and TX273 certificates. I don't believe that the company is requesting anything be done to these two certificates. Do you agree?
2. Qwest Interprise America, Inc. has TG844 certificate. They owe \$3.00 P&I for late payment of the 2001 RAF and either has to pay the 2003 RAF or provide a date certain it will be paid.
3. Payphone certificates are nontransferrable. I looked for a certificate in the name of Commercial Payphones LLC and did not find one -- but I did find Commercial Pay Phones, Inc. (TE874). I do not know if that is the same company or not. If it is not the same company, then Commercial Payphones LLC would be providing service without a certificate.

Please let me know what you think about this. Thanks.
