**Re: Preferred Carrier Services, Inc.'s ("PCS") Response to FPSC's 2003 TRO Data Requests in Docket Nos. 030851-TP and 030852-TP**

Dear Ms. Bayo:

Please find attached a hard copy (an electronic version of the spreadsheet on 3.5 inch diskette is also attached) of the completed General Questions spread sheet and affidavit for PCS in response to the Data Requests issued in the above cited Dockets. I would like to apologize for the delay in submitting this information to the Commission.

In addition, please note that PCS is merely a switchless reseller and relies solely on the facilities of the incumbent local exchange carriers within the State of Florida. Should PCS commence provisioning its own switches, transport facilities or high capacity loops, PCS will submit completed spreadsheets for the remaining Data Requests.

If you have any questions or require further information, please contact me at (972) 503-3388. Thank you for your attention to this matter.

Sincerely,

PREFERRED CARRIER SERVICES, INC.

Vice President of Regulatory Affairs
