Re: America's Digital Satellite Telephone, Inc.: Application for
Discontinuance of Services

Dear Sir or Madam:

America's Digital Satellite Telephone, Inc. ("ADST") was granted Certificate No. 7899 ("Certificate") to provide competitive resold interexchange telecommunications services in Florida by Order No. PSC-01-1712-PAA-TI dated August 22, 2001 in Docket No. 010808-TI. ADST does not serve any Florida customers nor has it accepted any prepaid advances or deposits.

ADST does not intend to exercise its authority to provide services under its Certificate in the State of Florida. Consequently, ADST requests that the Commission cancel its Certificate.

As ADST does not serve any customers in Florida, no notice to affected customers is included with this submission. A verification from Damian Cipriani, President of ADST, is attached hereto affirming ADST's lack of customers in Florida.

An original and two (2) copies of this letter are enclosed for filing. Please acknowledge receipt of this filing by file-stamping and returning the extra copy of this filing in the self-addressed, stamped envelope provided for this purpose. Please feel free to contact the undersigned if you should have any questions or require additional information.
