RE: Docket No. 030800-TI

On December 15, 2003, I received the attached letter from Mr. Geoffrey Todd Hodges, which stated that the company went out of business last year, has no funds to pay the outstanding Regulatory Assessment Fees, and requested cancellation of the company's certificate. Since the protest period has ended and the Consummating Order was issued on December 5, 2003, there is no further action required by the Commission.

Since the letter came directly to staff, it has not been documented in the Case Management System. Based on this information, please document the letter in Docket No. 030800-TI. Let me know if you have any questions.
