RE: November Monthly Report for Dec. No. 020010-WS

Dear Sir or Madam:

The following is the November 2003 monthly report as requested for the above referenced utility:

This past month on November 5<sup>th</sup>, 2003 metered rates were started, by the PSC and no customers were billed on a flat rate.

A refund of \$43.88 per customer was posted to the accounts of ones that had paid in the past under the flat rate, in which the PSC determined was an over earning.

If your office still needs to receive these unnecessary reports, please contact my office and I will continue to send them, otherwise this is the last report since meter rates are in place.

If you require any other information, please contact me.

Sincerely,

John H. Lovelette  
Manager
