It sounds as though we'll be leaving the title as is though BellSouth submitted it as an adoption based on Sally's analysis.

I'll put a copy of this e-mail in the docket file. It won't be entered in CMS, but will be in correspondence in the file.

While the transmittal letter is not the best, I believe the docket title is OK. The docket title could be changed to better explain what is really happening, but I do not believe that's essential. My reasoning is that although the parties started with an existing BST/KMC agreement, they made so many changes to it that the resulting contract between BST and Tristar could be termed an "agreement."

Sally, I never got a response for this one. This will require a docket title change and possibly a letter from the Company,

**CCA Official Filing:**

**2/20/03\*\*\*\*\*1:24 PM\*\*\*\*\*Kay Flynn\*\*\*\*\*2**

but I've gotten no response from my attorney or Kay for confirmation. Suggestions?

The correct title (I believe) would be styled as:

"Request for approval of adoption of interconnection, unbundling, resale and collocation agreement between BellSouth Telecommunications, Inc. and KMC Telecom Holdings, Inc., and \_\_\_\_\_ amendments by Tristar Communications Corp."

This adoption does NOT adopt the underlying agreement in its entirety contrary to what the letter indicates. Based on the number of changes included in the adoption papers, it cannot be styled as "in its entirety" in my opinion. (There appear to be 9 or so changes.)

Also, it appears the attachment seven replacement wasn't filed as the adoption papers appear to suggest.

Please advise.

The docket title for this appears to be incorrect. It should be styled as an adoption by Tristar of the agreement between BST and KMC.

I believe the correct title should be:

"Request for approval of adoption of interconnection, unbundling, resale and collocation agreement between BellSouth Telecommunications, Inc. and KMC Telecom Holdings, Inc., by Tristar Communications

This adoption does NOT adopt the underlying agreement regardless of what the letter indicates. Based on the number of changes included in the adoption papers, it cannot be styled as "in its entirety" in my opinion. (There appear to be 9 or so changes.)

Please let me know if you see anything else, and whether or not BST should change their letter. If this is required, I need to file a CASR revision NLT this afternoon.

I'll make the change in the docket title. The letter does indicate filing for adoption approval, but that wasn't picked up when the docket was opened.

I will say that the Bell adoptions we're receiving now are much easier to identify. There is less verbage in the letter, and the subject of the filing (i.e., adoption) is plainly set out in the "re" of the letter.

Thanks for pointing out the correction. I'll fix it now.

Kay

I suspect that CCA was following your letter, but didn't get to the part in parentheses (which explains what the document is to begin with) and that's why CMS is incorrect. To the extent that I can, I will take care of getting this one corrected. In the future, if you have ones like this, please, PLEASE, indicate from the start of the subject line that it is an "adoption of ... by such-and-such-company".

Perhaps we (meaning Sally and myself, Legal, BST, and CCA) need to figure out a letter format that BST can live with and CCA can understand.

Kay, I believe the correct title for this docket should be:

Request for approval of adoption of the existing interconnection, unbundling, resale, and collocation agreement and all amendments between BellSouth Telecommunications and KMC Holdings, Inc. by Tristar Communications, Inc.

Kay, can this change be done without a new letter?

Jeff

Jeff -

Will be filing missing Attachment 7 (Billing) today. However, checked on PSC website and docket title is incorrect.

**CCA Official Filing:**

currently reads IURC, and should read Adoption of IURC. Make sense? You fix, and I'll file. Deal.....

Thanks!
