Okay. Just so I'm clear on this (and so no one will yell at me) are you referring to a letter that corrects the Monday letter?

Kathleen, your letter should show that AT&T is an LLC, NOT an Inc. That's what Kay was saying.

Kathleen, on this and 030353-TP (AT&T - previous e-mail), I'm going to file a CASR revision this afternoon to change the close dates unless you call me to let me know you can file corrections today.

For the record to be correct, we'll need a letter correcting the name from BellSouth. Both their cover letter and attached agreement show the name as "Teletouch," meaning we have nothing in the record at this point to base our correcting docket title on.

Kay/Hong,

The name of the company interconnecting with BST is "Tele Touch Communications, Inc." and not "Teletouch Communications, Inc."

What do you want BST to do?

Thank you,

Kathleen, thanks for your patience in my getting back to you on this.

After discussions with Sally, Patty, and Kay, we have decided the best course of action in this case is for BST to file a letter acknowledging the correct corporate and fictitious names of the interconnecting company - this will suffice for the closing of this docket.

In addition to correcting the company name with the letter, please indicate, in the letter, that BST/Framir will be filing an amendment to correct the corporate and fictitious names, and an approximate time frame for the filing of this amendment.

If you have any questions, and I am not available, please call Patty or Sally because they are up to date and familiar with this.

Thank you,
