Subject: FW: Docket # 030850-TP Item 4A on 9/16 Agenda

I have attempted to contact Jessica Pena through the telephone number listed on the Commission Master Directory and reach only a voice mail which does not even identify a company or person. I did leave a message. In addition, I note that DSL Internet Corporation is the subject in a separate Agenda consent item on the 9/16 Agenda with a recommendation that its certificate be canceled for non-payment of RAFs.

JoAnn, if you would like, I will respond to the request by email and explain that such a request is not normally granted and explain her options for monitoring the item.

Good morning, JoAnn. DSL Internet Corporation is requesting to participate telephonically in this Docket (90 Day Triennial Review) at the 9/16 Agenda Coinference. If that request is granted, I assume we would need a time somewhat certain to call this item. Please advise. Thanks!
