Great! It's done. I'm just gonna hold on to the file and memo until I get a letter removing the "collocation" element.

Thanks.

Kay/Hong,

Is this okay with you? I can prepare the memo with or without the f/k/a. If you want to add the "f/k/a" to the title, will you need a letter from Sprint?

i think that a f/k/a would be appropriate, but not necessary

Wireless - Amendment to IURC

Jason,

The above agreement is for an amendment to the underlying agreement, 020462-TP, but "collocation" was not an element of that agreement. (Collocation has not been added as an amendment to the agreement). This needs to be corrected by Sprint and I will contact them soon.

In addition to the additional element, the CLEC changed its company name in Docket No. 020949-TX and is now known as Actel Wireless, Inc. Since the underlying agreement was made under the old name, I don't have a major issue with them using the full old name in the amendment. That said, would it be appropriate to show it in the docket title as "Actel Wireless, Inc. (f/k/a Susan R. Mulhall d/b/a Actel Wireless)"?

Please let me know what you think and I will contact Sprint.

Thank you,

Nancy,

The above agreement is an amendment to the underlying agreement, 020462-TP, but "collocation" was not an element of that agreement.

Please file a correction letter at your earliest convenience. If you have any questions, please give me a call at the number below.
