I believed I did respond. Sorry about that. This language appears fine to me, but an attorney should check it out. As for your withdrawal, the Commission needs a withdrawal letter withdrawing 030671-TP.

Jason/Beth, do either of you have a problem with the language Tom has proposed?

Jeff:

Any word regarding the proposed language. Waiting to hear whether this works before sending the new agreement to TTE for signatures?

- Resale Agreement

Tom,

To withdraw the current filing, use the language in the subject line of this e-mail (it's got the docket number.)

With regard to the language, I'll pass that question on to Jason and Sally and get back to you.

Thanks a lot, and I will be looking for the withdrawal letter.

Jeff

- Res ale Agreement

Jeff:

We are going to execute a new agreement and refile. TDS and TTE have agreed to the following language:

COMMENCEMENT AND TERM OF SERVICE. This Agreement shall become effective upon execution by authorized representatives of TDS TELECOM and Reseller as of the date stated above and shall have an initial term of one (1) year provided that either Party shall have the right to terminate this Agreement with or without cause on sixty (60) days notice. This Agreement shall renew automatically for successive one (1) year periods, unless terminated as above. The Reseller agrees to have its end-user customers provide full and unrestricted access to the premises of Reseller's end-user customers for any installation, maintenance and repair services to be provided by TDS TELECOM under this Agreement.

Is this acceptable? If yes, we will forward the new agreement to the parties for signatures and refile. Do you have a docket number so that I can file a letter withdrawing the current agreement? Thanks
