RE: Change to Staff Recommendation in Docket No. 030558-EI

Staff is requesting approval to make a minor correction to the above mentioned recommendation, filed on December 23, 2003, and scheduled for the January 6, 2004 Agenda Conference. On page 8 of this recommendation, in column 4, "Change in Annual Accrual," for Other Production - Putnam, the annual accrual is incorrectly stated as (\$93,101). The correct change in accrual is \$42,775. This change does not affect any issue or recommendation statement and therefore, an oral modification at the January 6 Agenda Conference should not be necessary.
