Ruth, according to the letter dated 12/16/03 from Michael Donahue, the names of the Florida operating subsidiaries will remain the same, therefore, no action by staff is required.

I can print this correspondence and attach it to the original filing so that we have for future reference. Thanks for the response.

Ruth, I'm going through and clearing out all my 2003 things and found this so I don't know if Jackie responded to you or not about this. Since Global Crossing Acquisition does not have a certificate, there was nothing for me to look up in RAF System. The way I understand this is that in Docket 020985, the Commission acknowledged that GC Acquisition had control of the four Global Crossing companies that do have certificates. This most recent letter advises that GC Acquisition has changed its name to Global Crossing Limited, but they are not requesting any of the certificated Global Crossing companies change their name. I do not know if Jackie's group needs to do anything or not.

Good morning. I have a letter from Global Crossing advising that in connection with transaction, GC Acquisition Limited has changed its name to Global Crossing Limited.

I will fax you the letter received for your review; they did not have Secretary of State documentation.

Thanks, I will place in the listed docket and copy to 030000, where this document will be.
