Re: Review of Tampa Electric Company's waterborne transportation contract with
TECO Transport and associated benchmark; FPSC Docket No. 031033-EI

Dear Ms. Bayo:

On January 5, 2004 we served on the parties to this proceeding Tampa Electric Company's redacted versions of the Company's answers to First Set of Interrogatories (Nos. 1-14) of the Office of Public Counsel. Those redacted answers included certain errors in the Bates stamp numbering of three of the pages in question. This letter will serve as Tampa Electric Company's Notice of Service of corrected Bates stamp pages 4-6 which we request that the parties substitute in place of the previous Bates stamp pages 4 and 10-11 of the January 5 answers.

Please note that the only revision is that we have corrected the Bates stamp page numbers on the affected pages.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
