Re: Farmton Water Resources - Original Certificate Application
Our File No. 36029.01

Dear Patti:

As a follow up to our conversation a few weeks ago, I am writing to let you know that Farmton has received requests from the representative of the 260 families at the hunt camps, to begin receiving potable water service immediately. We recognize that until the Commission issues it's Final Order approving our request for a certificate and the establishment of rates, that we cannot begin charging these people for such service. However, in order to accommodate their immediate need for service, we will begin providing that service at no cost in the very near future, and will continue to provide it at no cost until the Final Order is issued.

If you have any questions in this regard, please let me know.

Sincerely,

ROSE, SUNDSTROM & BENTLEY
