Re: Proposed Settlement for Docket No. 030806-TI for Universal Carriers, Inc. d/b/a  
Universal Communications, Inc.

Dear Ms. Isler

Previously you have received a check in the amount of \$65.00 and the applicable completed 2003 Regulatory Assessment Fee document on behalf of Universal Communications, Inc. ("Universal Communications, Inc." or "the Company").

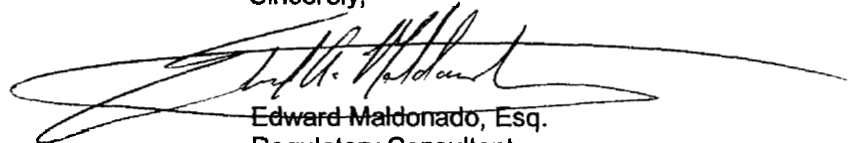

Universal Communications, Inc. wishes to keep the Certificate active and in compliance with Commission rules. We apologize for the oversight in filing this document. We feel it may have been misunderstood by our accounting firm. We have taken steps to prevent further late payments of the regulatory assessment fees including transferring these responsibilities to our regulatory consulting firm.

The Company agrees to waive any objection to the administrative cancellation of its certificate should Universal Communications, Inc. fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision of the settlement, Commission staff will bring the matter to the Commission for consideration.

Universal Communications respectfully proposes to pay \$100 as monetary settlement for the violation, which will be paid within 10 business days after the Commission Order is issued.

Universal Communications appreciates your consideration of this settlement offer, and, as always, please do not hesitate to contact Edward A. Maldonado at 305-468-1645 or emailed to [reg@regnumgroup.com](mailto:reg@regnumgroup.com).

Sincerely,

Edward Maldonado, Esq.  
Regulatory Consultant
