Re: Clarification/Correction of Interim Rate Request by  
Indiantown Gas Company, PSC Docket No. 030954-GU

Dear Ms. Bayo:

By this letter, Indiantown Gas Company wishes to clarify that it is presently requesting a total of \$138,604 in interim rate relief, rather than the \$131,896 indicated in the Company's petition for a rate increase filed herein on December 15, 2003. The change was occasioned by adjustments that were identified in the Company's MFRs in response to inquiries by the Commission Staff, and the requested amount \$138,604 is reflected in the revised MFR Schedules that the Company filed on December 15, 2003. The total permanent rate increase requested is unchanged.

As always, my thanks to you and to your professional Staff for their kind and courteous assistance. If you have any questions, please give me a call at (850)681-0311.

Cordially yours,

*Robert Scheffel Wright (sp)*
