Concise explanation, justification or comments (attach additional sheet if necessary):

This recommendation addresses 4 motions for reconsideration and their various responses all filed in mid-December. The motions attack 5 different issues addressed by the Commission in its Phase I hearing. While not imperative that the motions be decided before the hearing, staff believes there is merit in at least having a recommendation filed before hearing, because certain requests for clarification contained in the motions could have some bearing on how parties present their cases. As such, staff thinks there may be some benefit in at least having staff's perspective on the motions available to the parties.

The recommendation is drafted and being routed for initial comments. I ask that we be given until Friday, Jan. 23, at noon to file, but am hopeful that the recommendation may be ready to file by 5:00, Thursday.
