Re: Docket No. 031123-GU - *Petition of Sebring Gas System, Inc. for authority to convert and transfer all remaining sales customers to transportation services, to terminate merchant function, and for approval of certain tariff changes on experimental basis.*

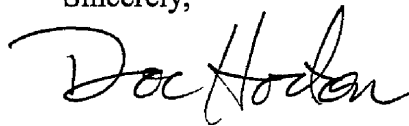

Dear Mr. Makin:

This is to clarify portions of the petition filed by Sebring Gas System, Inc. in the captioned docket.

Sebring's intent is to establish a pilot program to run for no less than two years consistent with the Commission's decision on similar requests from Chesapeake Utilities and Indiantown Gas Company, which were approved by the Commission. Further, Sebring was anticipating and is agreeable to providing reports and information consistent with the decisions by the Commission in those orders.

Should you have any questions, please do not hesitate to call me.

Sincerely,

Norman H. Horton, Jr.
