On January 27, 2004, Progress Energy Florida (PEF) filed a Notice of Voluntary Withdrawal In Part in the above mentioned docket. The Company is withdrawing its requested modifications to the Residential Energy Management Program discussed in Issue 2 of Staff's recommendation. Therefore, Issue 2 can now be deleted from the recommendation. Staff is requesting permission to orally modify Staff's recommendation to delete Issue 2 at the February 3, 2004 Agenda Conference. Issues 1 and 3 are unaffected by PEF's Notice. Please let me know if you approve.
