35. Please identify and describe all change requests initiated by either CLECs or Verizon, Sprint, BellSouth related to bulk migrations, batch hot cuts, hot cut processes, CLEC-to-CLEC migrations and bulk ordering processes. Begin in January 2000 and end with the current date.
- (a) Please detail the history of the Change Request with dates, contact information of the initiator, and a full description of the initial scope of the request. If the change request was implemented, please indicate the implementation date.
 - (b) If the change request was rejected or not yet implemented, please give a detailed explanation why.
 - (c) If the scope of the request was modified after it was first filed, please indicate how the scope was modified, what party initiated the modification, and why the modification was necessary. Indicate if the modification was agreed to by the entity that filed the original request.
 - (d) Please discuss any collaborative discussions with CLECs since January 2000 regarding modifications to the hot cut process, including batch hot cuts, bulk ordering, electronic loop provisioning, etc. If no collaborative discussion beyond change management forums occurred, please state why.
