RE: Docket No. 981834-TP - Petition of Competitive Carriers for Commission action to support local competition in BellSouth Telecommunications, Inc.'s service territory.

Docket No. 990321-TP - Petition of ACI Corp. d/b/a Accelerated Connections, Inc. for generic investigation to ensure that BellSouth Telecommunications, Inc., Sprint-Florida, Incorporated, and GTE Florida Incorporated comply with obligation to provide alternative local exchange carriers with flexible, timely, and cost-efficient physical collocation.

ISSUE 1: Should the Motions for Reconsideration and/or Clarification filed by Verizon, Covad, Sprint, and FDN be granted?

RECOMMENDATION: No. Reconsideration should not be granted, because the Motions do not identify a mistake of fact or law in the Commission's decision. The Commission should, however, clarify certain aspects of its decision as more fully set forth in the body of staff's January 22, 2004 recommendation.
