RE: Docket No. 031110-EQ - Petition for approval of new standard offer contract for qualifying cogeneration and small power production facilities and for approval of associated revisions to tariff schedules COG-1 and COG-2 by Tampa Electric Company.

ISSUE 1: Should Tampa Electric Company's (TECO) petition for approval of a new Standard Offer Contract, based upon a combustion turbine unit with an in-service date of May 1, 2006, including revisions to the associated COG-1 and COG-2 tariffs, be approved?

RECOMMENDATION: Yes. TECO's new Standard Offer Contract complies with Rule 25-17.0832, Florida Administrative Code. TECO's proposed methodology for calculating identifiable avoided incremental O&M costs, as indicated in the proposed tariffs, appropriately represents the variable O&M costs which are avoided by TECO due to the purchase of as-available energy, and complies with Rule 25-17.0825, Florida Administrative Code.
