Correct. No action necessary by Commission. I checked MCD and the certificate for TI374 was cancelled effective 7/3/03. They just paid their final return for when they were active. Thanks.

Paula, I have 2003 RAFs from Broadwing Communications Services, Inc., the company paid total of \$532.45. On top of the RAF company has written note, "final report. No longer in business, operations sold 6/13/03. I found Docket 030288 where the IXC Cert was transfered to CIII, so really this company does not exist any longer? correct? does the Commission need to take any other action? Let me know. Thanks, Paula.

Ruth.
