Re: Docket No. 030851-TP - MCI's Corrected Confidential and Public Responses to Staff's Fourth Set of Interrogatories (Nos. 31-64) and Third Request for Production of Documents (Nos. 10-15)

Dear Ms. Bayó:

On February 6, 2004 MCImetro Access Transmission Service, LLC and MCI WorldCom Communications, Inc. served Responses to Staff's Fourth Set of Interrogatories (Nos. 31-64) and Third Request for Production of Documents (Nos. 10-15) including confidential responses. The bates numbering on confidential attachments 34(d), 34(e), 63(a), 63(g), and 63(i), was inadvertently omitted. Attached is a redacted copy of confidential attachments 34(d), 34(e), 63(a), 63(g), and 63(i) with bates numbering and a claim of confidential material. There have been no changes to the confidential information.

Please acknowledge receipt of this letter by stamping the extra copy of this letter "filed" and returning the same to me.

Thank you for your assistance with this filing.
