Mr. Ken Nobel, President
Entel Phone Systems, Inc. (TE578)
12964 Lois Avenue
Seminole, FL 33776-1807

Dear Mr. Nobel:

On January 22, 2004, the Commission received your 2003 Regulatory Assessment Fee return form with a note that you were out of business and asked us to cancel your certificate. Payment of the \$50 minimum Regulatory Assessment Fee was not included. In addition, I could not find record that you had previously notified the Commission that you wished to cancel your certificate. A copy of the cancellation rule is enclosed.

The Regulatory Assessment Fee is assessed if a certificate is active for any one day during a calendar year, even if a company had no revenues or ever started operations. The 2003 Regulatory Assessment Fee is due by January 30, 2004. Our records also show that you have a \$15.00 balance for late payment of prior years' fees (breakdown attached).

Until the past due amount is paid in full, a docket cannot be opened to grant your request for a cancellation. Please note that if your payment is postmarked by January 30th, the total due is \$65.00. However, if payment is postmarked between January 31st and February 29th, the total due is \$68.00. When returning payment and a copy of the completed 2003 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-phone, (850) 413-6503-fax, by internet e-mail at PIsler@psc.state.fl.us, or at the address below.

On 1/22/04, we received a request for cancellation from Entel. According to the RAFs database, Entel has not paid 2003 RAFs, and they have outstanding P & I fees. Do you want to attempt collection or do you want us to pursue collection?
