RE:

ezTel Network Service, LLC (TJ349)

Dear Ms. Terry:

This is a follow up to our telephone conversation earlier today concerning the company's IXC certificate. According to Commission records, the company will have to pay the following in order to reapply for registration:

- \$12.00 late payment charges for 2000 (\$10.00 penalty; \$2.00 interest)
- \$8.00 late payment charges for 2001 (\$0.50 penalty; \$7.50 interest)
- \$67.50 for 2002 (\$50.00 fee, \$12.50 penalty; \$5.00 interest)
- \$500 fine imposed by Order No. PSC-02-1776-PAA-TI issued on December 18, 2002 in Docket No. 020702-TI.
- **Total Due \$587.50**

Attached is the 2002 Regulatory Assessment Fee return form, which should be returned with payment, along with a cover letter detailing what the company is paying. Please let me know if you have any questions.
