Docket No. 020129-TP
Filed: February 25, 2004

**MCI'S MOTION FOR EXTENSION
OF DURATION OF ORDER
GRANTING CONFIDENTIAL CLASSIFICATION**

COMES NOW, MCI WorldCom Communications, Inc, and MCImetro Access Transmission Services, LLC (collectively "MCI"), pursuant to Rule 25-22.006, Florida Administrative Code, and files its Motion for Extension of Duration of Order Granting Confidential Classification, and states as grounds in support thereof:

1. On September 16, 2002, the Commission issued Order No. PSC-02-1266-CFO-TP granting MCI's Request for Confidential Classification of certain information contained in the Direct Testimony of Mark Argenbright and Exhibit MA-1 attached to his testimony. (Document No. 09597-02, (x-ref. 06833-02).

2. The reasons MCI asserted in support of confidential treatment in its original Request for Confidential Classification continue to pertain. Specifically, there is still a need to protect this confidential proprietary business information of MCI, because the information remains highly competitive business information as set forth by MCI in its original request.

3. The information requested remains in the possession of the Commission staff.

4. For the reasons set forth above, and in MCI's original Requests for Confidential Classification, MCI hereby requests that the Commission enter an Order extending the period of

confidential classification for an additional 18 months, or for any longer period of time that the documents remain within the possession of Staff.

Respectfully submitted this 25th day of February, 2004.
