Ruth, dockets should not be opened until past due RAFs have been paid. Paula, if you don't mind, would you follow-up with Mr. Self on past due RAFs.

Jackie, I had received the e-mail from Ruth late Friday and responded this morning. I was not aware that the letter stated RAFs would be paid after the Order was issued. I wonder if Doc knows that the 2003 RAFs for both certificates have not been paid and are already past due and owes P&I. They also owe 2004 for both certificates and one (IXC) has a small past due P&I balance for late payment of the 2001 RAF. Your call.

Did any money come with it? They owe 2003 and 2004 RAFs. If they did not send a check for at least \$200 for both certificates, then do not open a docket. Fax to me and I'll contact Mr. Self. Thanks.
