Please write-off any unpaid regulatory assessment fees as the company has not been in operation since September 2003<sup>2002</sup> and is currently in the process of being liquidated. *LM*

Hi Paula,

I am trying to resend a "revised" one I noticed I had typed September 2003 instead of 2002 - so far I keep receiving error messages on my side - could you please change that to read 2002 - thank you.

Lynn

Dear Ms. Mitchell:

I've received three error messages that you've been attempting to fax me. However, I've now received a fourth one that came through OK. If you only faxed the one page "Telecopier Information Sheet", then I've received it.

Thanks!

Melbourne International Communications, Ltd. (TI237)

Dear Ms. Mitchell:

This is a follow up to our telephone conversation concerning Melbourne International Communications, Ltd. If the company no longer needs its IXC certificate, please write the Commission a letter and request cancellation due to the bankruptcy and ask that any unpaid Regulatory Assessment Fees be written-off as the company has no funds to pay the fees.

After getting the letter from you, I can then open a docket to grant the bankruptcy cancellation. I appreciate your help. Thanks.
