**KMC TELECOM III, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

KMC Telecom III, LLC (hereinafter "KMC"), pursuant to section 364.183, Florida Statutes, and Rule 25-2.006, Florida Administrative Code, requests confidential classification of certain data previously filed in this docket pursuant to a claim for confidentiality. In support of this request KMC hereby states:

1. On February 24, 2004, KMC filed in the above-captioned proceeding its Response to Verizon Florida, Inc's First Set of Interrogatories (Nos. 1-22) and First Request for Production of Documents (Nos. 1-11). KMC's Response included Confidential Attachment B, which contained confidential information that is considered proprietary.¹ When KMC filed its Response, it filed the appropriate corresponding Claim for Confidential Treatment, in accordance with Rule 25-22.006(5) and section 364.183(1), Florida Statutes, regarding Confidential Attachment B.

2. KMC hereby files this Request for Confidential Classification, in accordance with Rule 25-22.006(4), Florida Administrative Code, for Confidential Attachment B. The public and redacted copies required by Rule 25-22.006(4) are not being filed at this time as they were filed with the claim filed on February 24, 2004.

¹ KMC also referenced Confidential Attachment A in response to a number of interrogatories. KMC did not provide Confidential Attachment A when it responded to Verizon's First Set of Interrogatories and First Request for Production of Documents. On March 24, 2004, KMC provided its Supplemental Response to Verizon's First Set of Interrogatories and First Request for Production. KMC has filed a separate Request for Confidential Classification for its Supplemental Response, which includes Confidential Attachment A.

3. The information for which confidential classification is requested reveals confidential and proprietary business information. Specifically, Confidential Attachment B is an affidavit of Mike Duke, which contains confidential filings with respect to dedicated transport that KMC made with the FCC in the Triennial Review docket.

5. The information contained in Confidential Attachment B has already been determined to be confidential by the FCC, and provides specific information on KMC's annual budget, as well as its projects and calculations regarding self-provisioning of fiber and high-capacity loops. KMC considers such information to be trade secrets and proprietary, confidential business information which, if disclosed, would be of benefit to competitors and cause harm to KMC and its customers. Such information provides KMC an economic benefit, and is not known or readily ascertainable to other persons. Such information is economically valuable to KMC and its competitors, and KMC treats such information as confidential and maintains many processes and procedures to maintain its secrecy.

6. A trade secret is defined in section 688.002(4), Florida Statutes, the Uniform Secrets Act, to mean:

[I]nformation, including a formula, pattern, compilation, program, devise, method, technique, or process that:

(a) Derives independent economic value, actual or potential, from not being generally known to, and not be readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

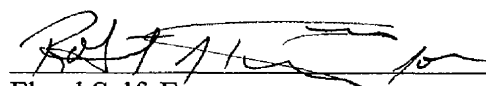

(b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

The information at issue fits plainly in this definition as set forth above. Accordingly, the Commission should grant the request for confidential treatment and find in the

information contained in Confidential Attachment B to be confidential and exempt from section 119.071(1), pursuant to section 364.183(3)(a) and (e).

WHEREFORE, based on the foregoing, KMC respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an Order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted,
