MCI's REQUEST FOR CONFIDENTIAL CLASSIFICATION

MCImetro Access Transmission Services, LLC and MCI WorldCom Communications, Inc. (hereinafter "MCI"), pursuant to section 364.183, Florida Statutes, and Rule 25-2.006, Florida Administrative Code, requests confidential classification of certain data previously filed in this docket pursuant to a claim for confidentiality. In support of this request MCI hereby states:

1. On January 26, 2004, MCI filed in the above-captioned proceeding its Responses and Objections to Staff's First Set of Interrogatories (1-14) and First Request for Production of Documents (1-7). MCI's Responses to Interrogatories 1(a), 3, 5(a)-5(e), and Responses to Requests for Production 1 and 5 contained confidential information that is considered proprietary. When MCI filed its Response, it filed the appropriate corresponding Claim for Confidential Treatment, in accordance with Rule 25-22.006(5) and section 364.183(1), Florida Statutes.

2. MCI hereby files this Request for Confidential Classification, in accordance with Rule 25-22.006(4), Florida Administrative Code, for its Responses to Interrogatories 1(a), 3, 5(a)-5(e), and Responses to Requests for Production 1 and 5. The public and redacted copies required by Rule 25-22.006(4) are not being filed at this time as they were filed with the claim filed on January 26, 2004.

3. The information for which confidential classification is requested reveals confidential and proprietary business information. Specifically, the above responses include:

(a) Response to Interrogatory 1(a) and Response to Request for Production 1 contain confidential information regarding MCI's local network facilities.

(b) Response to Interrogatory 3 and Response to Request for Production 5 contain confidential information regarding MCI's fiber rings and other transport facilities.

(c) Responses to Interrogatories 5(a)-5(e) contain confidential information regarding MCI's collocation arrangements, equipment and service deployment.

4. MCI considers the above information to be trade secrets and information relating to competitive interests which, if disclosed, would be of benefit to competitors and cause harm to MCI and its customers. Such information provides MCI an economic benefit, and is not known or readily ascertainable to other persons. Such information is economically valuable to MCI and its competitors, and MCI treats such information as confidential and maintains many processes and procedures to maintain its secrecy.

5. The information contained in the confidential responses contains market deployment data and other specific network information utilized by MCI to conduct its business. MCI has invested enormous amounts of time and money structuring and deploying its marketing strategies which will be wasted if this information is released to the public.

6. A trade secret is defined in section 688.002(4), Florida Statutes, the Uniform Secrets Act, to mean:

[I]nformation, including a formula, pattern, compilation, program, devise, method, technique, or process that:

- (a) Derives independent economic value, actual or potential, from not being generally known to, and not be readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and
- (b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

The information at issue fits plainly in this definition as set forth above. Additionally, disclosure of this information will impair the competitive business of MCI. Therefore, the Commission should grant the request for confidential classification and find the information contained in MCI's Responses to Interrogatories 1(a), 3, 5(a)-5(e), and Response to Request for Production 1 and 5 to be confidential and exempt from section 119.071(1), pursuant to section 364.183(3)(a) and (e).

WHEREFORE, based on the foregoing, MCI respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an Order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted,
