Docket No. 030852-TP

Filed: March 24, 2004

**DIECA COMMUNICATIONS, INC. D/B/A COVAD COMMUNICATIONS**  
**COMPANY'S REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION AND**  
**MOTION FOR PROTECTIVE ORDER REGARDING CONFIDENTIAL**  
**HEARING EXHIBIT NOS. 16 AND 22**

DIECA Communications, Inc. d/b/a Covad Communications Company (Covad), pursuant to Rule 25-22.006, Florida Administrative Code, files this Request for Specified Confidential Classification and Motion for Protective Order Regarding Confidential Hearing Exhibit Nos. 16 and 22.

1. On March 3, 2004, the Commission conducted its hearing in this docket. During the hearing, confidential portions of Covad's response to Staff's 2003 TRO Data Request and confidential responses to Staff, BellSouth and Verizon discovery were entered into the record as part of hearing Exhibit Nos. 16 and 22, respectively.

2. Exhibit No. 16 contains a confidential copy of Covad's Response to Staff's 2003 TRO Data Request. The document contains information regarding the number and location of Covad's switches, the areas where Covad provides service, the number of voice grade lines it has provisioned, the number of customers Covad serves and the type of service that Covad provides its customers. Covad considers this information to be confidential proprietary business information. Disclosure of this information could severely harm Covad's competitive interests

in the marketplace. The information has not been made public. A more specific description of this information is contained in Attachment A.

---

3. Exhibit No. 22 contains a copy of Covad's Confidential Response to BellSouth Telecommunications, Inc.'s First Set of Interrogatories (No. 6), Covad's Confidential Response to Staff's First Set of Interrogatories (Nos. 1(a), 1(b), 5(a), 5(c) and 7(c)), Covad's Confidential Response to BellSouth's Telecommunications, Inc.'s First Request for Production of Documents (No. 6) and Covad's Confidential Supplemental Response to Verizon's Request for Production of Documents (Nos. 2, 8 and 9).

4. Covad's Confidential Response to BellSouth's Telecommunications, Inc.'s First Set of Interrogatories (No. 6) contains information regarding the names of companies from which Covad has acquired transport, the CLLI codes of the starting and ending points of the transport routes and the capacity of transport. Covad considers this information to be confidential proprietary business information. Disclosure of this information could severely harm Covad's competitive interests in the marketplace. The information has not been made public. A more specific description of this information is contained in Attachment A.

5. Covad's response to Staff's Interrogatory Nos. 1(a) and 1(b) contains information regarding non-ILEC central office to central office transport facilities used by Covad as well as cost information for these facilities. Covad's response to Staff's Interrogatory No. 5(a) contains information regarding the locations of ILEC central offices where Covad is collocated. Response to Staff's Interrogatory No. 5(c) contains information regarding the date that Covad collocated at the facilities identified in its response to Interrogatory No. 5(a). Covad's response to Staff's Interrogatory No. 7(c) contains information regarding the equipment collocated at a Level 3 facility in Miami. Covad considers this information to be confidential proprietary

business information. Disclosure of this information could severely harm Covad's competitive interests in the marketplace. The information has not been made public. A more specific description of this information is contained in Attachment A.

6. Covad's Confidential Response to BellSouth's First Request for Production of Documents (No. 6) is a copy of Covad's confidential response to Staff's 2003 TRO Data Request. Covad considers this information to be confidential proprietary business information. Disclosure of this information could severely harm Covad's competitive interests in the marketplace. The information has not been made public. A more specific description of this information is contained in Attachment A.

7. Covad's Confidential Supplemental Response to Verizon's Request for Production No. 2 contains information regarding the location of Covad's operational collocation arrangements with ILECs. Supplemental Response to Verizon's Request for Production Nos. 8 and 9 contains information regarding the routes and capacity of dedicated transport obtained from non-ILECs in Florida. Covad considers this information to be confidential proprietary business information. Disclosure of this information could severely harm Covad's competitive interests in the marketplace. The information has not been made public. A more specific description of this information is contained in Attachment A.

8. Section 364.183, Florida Statutes, provides an exemption from the disclosure requirements of section 119.07, Florida Statutes, when disclosure of confidential business information would "impair the competitive business of the provider of the information." Disclosure of the Covad confidential information would harm its business operations by placing details of its operations and capabilities in the public domain. Accordingly, the information should be exempt from the public disclosure requirements of section 119.07, Florida Statutes.

9. Covad treats the information for which confidential classification is sought as private and confidential.

---

10. Appended hereto as Attachment B are two copies of each document with the confidential information redacted.

11. Appended hereto as Attachment C is a sealed envelope containing one copy of each document including the material which is confidential and proprietary.

**WHEREFORE**, based on the foregoing, Covad moves the Commission to enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.
