Dear Mr. Steinhart:

I wanted to give you an update on your February 19th request for cancellation of I-Link's IXC and CLEC certificates. On February 25, 2004, the Commission received the company's payment for the 2003 RAF, penalty, and interest on its IXC certificate only. The company still must pay the following in order to be granted a voluntary cancellation:

\*IXC (TI568)

① 2004 RAF (\$50.00 minimum)

② 1997 Penalty and interest charges (\$16.25)

\*CLEC (TX598)

④ 2004 RAF (\$50.00 minimum)

The company has two options -- first is the voluntary cancellation, which means the company must pay the Regulatory Assessment Fees, including statutory penalty and interest charges. The second is an involuntary cancellation, which means the certificates will be cancelled on the Commission's own motion for a rule, order, or statute violation, and the unpaid fees will be turned over to collections.

Please let me know how I-Link wishes to proceed by March 26, 2004. Thanks.
