I just got my mail and a copy of proof of payment was there. They paid everything they should have. It is OK to open a docket to cancel both certificates with an effective date of 2/20/04. I will forward a copy of my file to Jackie Gilchrist.

I don't like to put amounts in the description, because I'm not 100% sure I'm interpreting Fiscal's notes correctly, but it looks like we got 4 checks, 1 for \$50, 1 for \$16.25, 1 for \$50 + \$6, and 1 for \$50, which seems to be bit more than what you were expecting.

However, I'll let you take a look at the document yourself before you give the final answer, in case I'm wrong on what I THINK I see.

Kay

I received the request for cancellation from Lance on February 20th. We should have received \$16.25 P&I for 1997 and the 2004 RAF for TI568 and the 2003 RAF, P&I and 2004 RAF for TX598 (check should have been \$166.25 at a minimum). From the description in CMS I can't really tell if they paid everything they needed to in order to be granted a voluntary cancellation. I'll have to wait until I can see it.

Paula, we just got record of this company's RAF and P/I payments, plus a copy of a note from you to Lance Steinhart. Your note asked him to let you know how he wishes to proceed by 3/26. Does this mean he will file a formal request to cancel the IXC and CLEC?
