ORIGINAL

Thanks, Stephanie.

The document is available in PDF now, by the way.

I have contacted Kathryn Cowdery, attorney for applicant on Docket #030998-WS. In her response is below she states that NO name change is to take place. She will follow up with the person who submitted the form.

Thanks.

Hi Stephanie - you are correct, there is no name change. Could you please have someone fax to me whatever document it is that someone had written "Hometown America" on, so that I can contact the relevant persons to instruct them regarding the certificated utility name? Please fax to the toll free number 1- 877- 604- 5230, since it comes directly to my computer.

Should we resubmit the form without the "Hometown America" change, or is this e-mail sufficient?

I apologize for any confusion.

Thanks

Kathryn

Please read below. Is there a name change involved in the docket? I thought it was just a TMOC.

We currently have a Transfer of Majority Organizational Control Docket #030998-WS. However, the transfer is at the parent level and no name change for the utilities was indicated. I will check on this and get back with you!

Patti, we received an MCD update form from CWS Communities LP and they had scratched through their company name and written "Hometown America" above it. I'm posting this in CMS right now, in undocketed, so you'll be able to see it under DN 04102-04 shortly.

Question: Do we open a docket for a name change for this utility?

Kay
