COMMISSION
CLERK

Dear Ms. Bayo:

On April 16, 2004 we filed with your office the rebuttal testimony of Gerald C. Hartman on behalf of Farmton Water Resources, LLC in the above-referenced matter.

After review of Exhibit GCH-R1 and GCH-R4 attached to that testimony we determined that the legal description utilized was in error in several respects. Rather than utilize the latest version of the legal description of the service territory, we mistakenly utilized a prior legal description that included references to recorded instruments. This error had previously been corrected with the filing of revised Exhibits to the application in March of 2003.

Therefore, I am including corrected exhibits to the rebuttal testimony of Gerald C. Hartman in the form of Revised Exhibit GCH-R1 and GCH-R4 in order to correct this error and provide the final legal description and map for the territory proposed for service by Farmton as amended. The original and fifteen copies of these revised exhibits are attached hereto to replace those filed with Gerald Hartman's rebuttal testimony on April 16, 2004.

If you have any questions in this regard, please let me know.

Sincerely,

ROSE, SUNDSTROM & BENTLEY
