Brenda, it is OK to cancel all three certificates voluntarily. All three certificates are paid through 2004. The system shows the following:

TA029 - For 2002 the company has a \$3 P&I balance. Since it is under \$10, the balance is OK.

TI817 - For the January thru December 1997 page, it shows a \$12.50 balance, but the very next page is for July thru December 1997 and it shows a \$12.50 credit. This means that Fiscal just posted the \$12.50 to the wrong page. This certificate also has a \$3 P&I credit for 2004.

TX022 - For 2002 the company has a \$3 P&I balance. Since it is under \$10, the balance is OK. Plus the IXC certificate has a \$3 credit.

Please go ahead and open dockets to cancel all three voluntarily. Let me know if you have any questions. Thanks.
