Tommy is out of the office until Monday, so in his absence, I am requesting that CCA change the docket title to reflect Acknowledgement of Registration and Request for Cancellation.

Good.

Tommy, if you'll send me an e-mail asking that I change the title etc., I'll do so with the e-mail.

Thanks to both.

Since both requests can be processed administratively, it does make more sense to process everything in one docket.

Tommy, couldn't we do all in the one docket (similar to PATS where the cert is canceled and a new cert granted in one docket)??

Kay; I think we need another docket open on this so we can divide the companies. We do not transfer IXC registration anymore so;

- CMP
COM
CTR
ECR
GCL
OPC
MMS
RCA
SCR
SEC
OTH

Handwritten notes: I, Kim, Nonnye

1. keep the above docket and change to the usual language for registration for United American Technology, Inc.,
2. and open a new docket to remove PromiseVision Technology, Inc. from our registration list.
